meetings.

Evaluations Forms

Evaluations will be distributed to you at the end of this session.

Please fill out the evaluation forms completely and honestly so we can continue to refine and improve our educational sessions.

Your responses will remain completely anonymous unless you fill out information that identifies you.

Alliance for Clinical Trials in Oncology 2014 Group Meeting Clinical Research Professionals Education Meeting Disclosures to Participants

Conflict of Interest:

- A conflict of interest occurs when an individual has an opportunity to affect educational content about health care products or services of a commercial company with which he/she has a financial relationship.

DISCLOSURE

The planning committee and all but 2 faculty have declared no conflict of interest.

Shelley Hwang, MD, has a conflict of interest as a consultant for Genomic Health. She has agreed to present information fairly and without bias.

Tracy Batchelor, MD, has a conflict of interest as a consultant for Merck & Co., Inc., Roche, Kirin Pharmaceuticals, Novartis, Proximagen, Agenus, Champions Biotechnology and Advance Medical. He has also received research support from Pfizer, Astra Zeneca and Millennium. He has agreed to present information fairly and without bias.

Questions?

Ask questions of a broad nature instead of ones that might be specific to only you.

Direct all questions to the “subject matter expert”

To ask a questions during a session please raise your hand, and use the microphones

Cellphones

Please turn off your cellphones during presentations.
