

Translational Research Program Symposium

Interdisciplinary Efforts To Increase The Translational Potential Of Neoadjuvant Trials

(November 7th, 2014, 5-7pm CDT. Guggenheim 3)

- 5:00-5:05 Introduction (Fraser Symmans MD)**
- 5:05-5:15 What Is the Meaning of Pathologic Response In Breast Cancer? (Fraser Symmans MD)**
- 5:15-5:30 What Is the Meaning of Pathologic Response In Gastrointestinal Cancers? (Jeannelyn Estrella MD)**
- 5:30-5:45 Strategies For Meaningful Biomarkers in Neoadjuvant Trials (Federico Innocenti MD/PHD)**
- 5:45-6:00 Breaking New Ground: Neoadjuvant Trial of Molecular Therapy For Melanoma (Merrick Ross MD)**
- 6:00-6:10 Going Forward: What Are Perceived Opportunities and Challenges For Neoadjuvant Trials in GI Cancers? (Alan Venook MD)**
- 6:10-7:00 Open Discussion (Fraser Symmans MD)**

Conference line: Dial In (800) 501-8979 Access Code 8223712
